

The New York Revival Covenant

A Spiritual Commitment to Pray for Revival

By signing the New York Revival Covenant, we enter into a Holy Agreement with one another and with The Lord our God to seek Him for Revival in our time, to pray that our area and all of New York will come alive with His Presence and experience a Spiritual Awakening that brings deep repentance and results in the transformation of our hearts, churches, families, communities, state and nation to the glory of Jesus Christ.

Therefore, I make this public commitment:

1. To seek God's Face, pursuing His Holy Presence before His blessings
2. To rend my heart in sincere repentance for my own sins and the sins of Christ's Church, turning from disobedience and self, realigning my heart and life with His Holiness and reconsecrating myself to The Lord Jesus Christ and His purposes
3. To boldly contend and travail for both my area and all of New York that spiritual strongholds will be broken and asking The Lord to protect the Body of Christ and its spiritual leaders in our state
4. To cry out in faith-filled and fervent intercession, persistently interceding for supernatural, God Breathed, God Empowered Revival in our homes, churches, region and state that glorifies God's Name and transforms us and our society
5. To pray that Christ's heart and sacrificial love for the lost would invade my heart and the heart of our churches, moving us to labor for the saving of the lost souls around us

As such, to the best of my ability, I commit to intercede:

1. Daily on my own as a Christian
2. Weekly within my local Church
3. Frequently with other believers from my area who are outside my own church
4. At least once a year or as often as called by The Lord in Holy Assemblies with other believers throughout my area or state
